Your generous spirit will be with me always. Thank you for being a part of my life for a brief moment in time.*

“ *Dear Jim & Family, I was so saddened to read that Debbie had passed away. We became fast friends last year when we shared the same room in the hospital and I loved to see all the family there visiting with her each and every day. She had so much love to share! Then in February of this year I was back in the hospital, same floor, same room and much to my surprise Debbie was brought into the room across the hall from me. Even though it's not the place where you want to be, I was so happy to see her again...even under those circumstances. She fought a hard and valiant battle! I'm sending hugs to all of you!
