“ *The good Lord decided that He needed you now and although it doesn't seem fair we have to accept in our hearts that this is best for all of us. I'm sure every person you ever came in contact with immediately saw what I saw, your bubbly personality, your gentle caring ways, your beautiful smile, and most of all your generous and outgoing friendship! This world has lost a great person and I will dearly miss you! As you always said in high school and until we meet again...."Ciao!"*
