“ Debbie, You were taken from us way to early. We have shared so much growing up as sisters and I'll miss you deeply. You have suffered for so long and now you are peace and not in any more pain. Red, Grant and Keith I love you and I know how hard you are taking this. My prayers are with you.

“ *Debby, Why oh why? I hurt so badly for Red! I had no idea that you were close to leaving this plane --- I miss you, and grieve for you, and... for Red's loss. Debby, I know that you are healed now; that is the most wonderful thing to know! You have suffered in this life way too much! God loved you so much that when you were ready. He put His arm around you and said that it would be alright to be healed and know the freedom of not having the constraints of this earthly body... Bless you Lord and bless you, Debby. I always prayed that you would know God's comfort on this plane and now you know that comfort in the next realm, how great that is! Thanks be to God. The Post and the Auxiliary will not be the same without you! I miss you! Rest in peace. Cindy*
