Debra Powell went to be with the Lord on Friday June 9, 2023 at the age of 71, after fighting a long battle with Renal Failure. She was surrounded by her family and close friends, who will honor her by living each day to the fullest.

Debra was born December 12, 1951 in Flint, Michigan. Debra married the love of her life, Ted Powell on September 7, 1985. They had a wonderful and happy life together.

Debra completed high school then went on to Cosmetology school. After she graduated, she taught two group's of 35 girls for many years. She went back to school for nurses aide where she worked in nursing homes. She loved helping people. Debra was a very kind, caring, loving lady. Her smile would light up a room and her laugh was contagious. The littlest of things brought her the biggest blessings. She loved sitting by a open fire with family and friends, roasting hotdogs and making smores. She loved to fish, but only if she was the one who was catching the fish. Debra loved to bake, cook and do things for her family. She never thought about herself, always putting the ones she loved first.

Debra is survived by her husband Ted Powell for more than 38 years. They loved each other for better or worse. Her son, Ronnie Klosowski of Michigan.

Debra will be missed but never forgotten. For only a short season we will be apart , for we all will be together again.
