July 22, 1967 - September 7, 2021

Debra Lynn Sachs age 54 of Lady Lake, Florida passed away Tuesday September 7th, 2021, peacefully in her home after a 7-year long battle with cancer. Debbie is preceded in death by her father Chester Richardville Jr. and by her brother Donald Richardville. Debbie is survived by her husband Kevin Sachs, Mother Diane (Jerry) LeBlanc, Aunt Dotti Timmons, Children Jennifer Harvey, Kyle Sachs, Christopher (Hannah) Sachs and Grandchildren Alexis Steers and Warren Sachs. Debra was born July 22nd, 1967, in Warren, Michigan and relocated with her family to Florida a couple years later. Debra was often considered the glue that held many relationships together and will be remembered for her love of the beach, kindhearted personality, her love for her cats, and of course her infectious laugh. Debra valued most, her close friendships and held dear to her heart her beloved Dr. El-J, all of which worked tirelessly to provide the utmost care and compassion. Her husband Kevin, her partner in life for nearly 25 years was her rock and motivation to keep fighting. His love and support was the fuel she needed to stay with us as long as she could. Her grandbabies Alexis and Warren were the two people you could find most in her photo albums. She would smile at the thought of either of them and for that we will always make sure they know just how wonderful of a person their Grandma Debbie was. "When we think of you and a tear rolls down our face we'll smile and wipe that tear away; knowing no one can ever take your place. We'll laugh and reminisce on the woman you were and the angel you now are; so please smile and watch over us, our lucky

Star."

Arrangements entrusted to Beyers Funeral Home in Lady Lake, Florida.
