“ *Dennis, Dell was a delight. I knew her from the time she joined CFWC and so enjoyed her. Her smile, sense of humor and laughter was always a joy. She was always so caring, and brought a great sense of dedication to all that she did. She was a great teacher, mentor and friend. She will be missed but always remembered.*

“ *Dell was such a lovely lady. She could tell a story in such a way that you would hang on every word. And, of course, there would always be laughter at the end. I will miss her very much.*

“ Dell was fab, fun and a fantastic family support. We go back a long way as she baby sat me 51 years ago. My mum is like Dell's sister so we are all very close. she was my cousin but she was like a friend , mentor, another mum. dell was great fun to be with & we have had many wonderful family gatherings in the States & here in Australia. Dell' & dennis's surprise parcels would come from the States full of clothes for the younger members of the family, Sophie & ella. As a mum I just loved getting down to the post office to collect them & dress up Sophie in beautiful little cotton tops, dresses and handbags to match. We have a treasury of photos of Sophie & ella dressed up in all the lovely clothes that Dell sent. when sophie grows out of the clothes they were recycled and given to the children of friends. we will miss Dell so much. The long phone calls at xmas and Easter, the e-mails, the jokes. we will love her forever. Love Janet, John and Sophie xxxxxxxx rss

“ We were greatly saddened by the passing of our dearest Dell. Dell was my second cousin, but really like my younger mum or aunt. We only talked a few times a year, on the phone or on her visits to Australia, but these were times I will treasure all my life. Dell was an amazing person, a great intellect and had an amazing sense of humor. Dell was a kind and generous person, especially to my daughter Ella and her cousin Sophie. She will be much missed by us all. Vale Dell Elizabeth Nantt, from your Brisbane family, Richard, Janette and Ella. To our American family, Dennis and Alyssa, we love you dearly.
