

Denis Proulx

January 29, 1932 - August 15, 2019

Denis "Dan" Proulx, 87, of Leesburg, FL, passed away peacefully at his home on Thursday, August 15, 2019.

He is survived by his beloved wife of 53 years, Mary; his six children, Pat, Mary, Terry, Tim, Laurie, Dennis (and their significant others); his sisters, Theresa, Pauline, and Helene; many nieces and nephews as well as cherished grandchildren and great-grandchildren.

In his earlier life, Dan was a Catholic Marist brother who later shared his religious values through teaching youth bible study, singing in the church folk group, and participating in prison ministry. He was a devoted educator who was highly respected by his students. Despite his polio, he was a lover of sports, coached youngsters, and never missed rooting for his New England Patriots. He was a scout leader and an animal lover. He enjoyed bowling, motorcycling, wood-carving, and his daily crossword puzzles. He touched many lives and will always be remembered as our hero.

In lieu of anything material in his honor, family and friends are asked to think of his beautiful spirit and to dedicate themselves to making the world a better place.
