“ I knew Denise was special person when she flew Diana and I out on Dad's birthday to surprise him and to reach out to get to know the stepdaughters. Loved her accent and sense of humor, along with her big heart. I am so glad Dad and Denise were able to share the short time they had together to enjoy life. My heart goes out to all who knew and loved Denise, she will be greatly missed. Love,
Margo

“ Denise, you will be missed by all those who knew you. You had a beautiful smile and a great sense of humor. I know you have been sick for some time but now you are free of all pain and sickness and are in the loving arms of our God. We will keep you hubby, Ron, in our prayers for God to help him through this sad time. I love you,
Sandra

“ Nini, We love you so much. I will never forget how positive you always were and your beautiful smile. Thank you for treating us like we were your own kids. I will never forget the great times we always had, especially the sleepovers at your house. I will certainly miss all of our "EMAIL CHATS" we so often had. We Love you so much Nini, we look forward to seeing you again in Heaven. Ron, Nini brought so much joy around everyone, I guess the good Lord wanted her to spread some sunshine around Heaven and brighten up the skies with her smile! We love you Ron and our condolences. "BLESSED ARE THEY THAT MOURN: FOR THEY SHALL BE COMFORTED" MATTHEW 5. We love you so much "Nini"!

“ Dad, we will miss Denise. She was such a neat lady. Always positive and happy. And I will miss her jokes through email and talking to her on the phone. And never forget the times at the beach that she shared with us. Our prayers go out to you and her family and she will always be in our hearts.

“ Dad, Denise was such a neat lady and I think you were both so lucky to have found each other. I know that she took very good care of you. We had so much fun with her when we came to Florida. She gave me a penny that was shaped like an angel and I still have that on my keychain today. She had only met my husband Lawrence on the phone but she was always so pleasant. Denise was very positive and I am going to miss receiving her emails. Dad, she will always be in your heart. We miss her and will never forget her smiling face. Our prayers are with you and her family.
