“ Oh how I miss seeing you sitting in the garage with Connie, each time I visit my mom. He lets me sit in your chair once in awhile and we talk about you and how much you were loved and missed.

“ Each time I look over at the colorful flower pots that Dennie painted for her plants that still adorn the front of the home, it is a fitting reminder of her presence. I will never forget her warm personality and generosity. How she shopped all year for her goodie bags to find just the right gift and gadget to go into each one. At this anniversary of her passing, let me extend to the family that Dennie has not been forgotten by her neighbors and will always be remembered warmly.

“ To the family,  
We are sincerely sorry for your loss. It's never easy to lose a loved one under any circumstance. Please be assured that Jehovah God is aware of your pain and he is near to the brokenhearted (Psalm 34:18). The bible promises us that there will be a resurrection (John 5:28, 29) and that God will bring an end to death once and for all (Revelation 21:4). From that point on we will never have to feel the pangs of death again. We pray these words and scriptures are able to bring you some comfort.

“ *Connie, YOU said it exactly how I have spoken of the wonderful Dennie. Beautiful inside and out! We were neighbors for only a short period of time, but that miniscule moment in our lives was embedded deeply within my soul. Friendship and Trust are things that are fleeting these days, and are to be cherished, you Dennie, will live in my heart forever. Rest in Peace, pretty Lady.*

“ *To a great mother who would do anything for anyone. She always made everyone feel warm and welcomed. I only hope I become the person she was. I am going to miss being able to call her let off steam. Now that I look back I feel sorry for her. I must have at least called her once a week. After our conversation she probably needed a beer or two. I am especially going to miss her smile and tickling her under her chin. Which she didn't like, but it was so much fun doing it.*

*Mom may you RIP and keep an eye dad.*

*Love you*
