

Denise Lynn Wagner

February 8, 1959 - May 8, 2020

Denise Lynn Wagner was born February 8, 1959 to David McIntyre and Janet Herrick.

She was adopted on March 9, 1959 by Betty and Ralph Deridder who raised her with love and care along with her step-brother Roy Deridder. Denise was diagnosed at age 14 with Multiple Sclerosis which she battled for the rest of her life not letting it stop her from raising 3 fine sons, serving AT&T and Lucent Technologies for 25 years, raising her dogs, riding her horses and being a positive influence to her friends and family.

Denise is survived by her husband of 31 years, Jodi L. Wagner and sons Justin P., Torrey R. and Garrett W. Wagner. She also discovered that her family was much larger than she had previously known. Besides her step-brother Roy, she has been contacted by three of her half-sisters, Sally and Susan (twins), Angela and Angela's daughter Brittnay, who were able to spend some time with her on her 60th birthday. Over time it was discovered she had two more half-sisters, Kathy and Laurie as well as a half-brother Bruce.

She is also fondly remembered by her biological sister Sandy's daughters Dorie and Lindsay who have shared many photos and memories of this strong, beautiful and intelligent woman.

She will always be loved and remembered by all who knew her. We miss you Denise and be forever free. Your loving family and friends.
