“ My closest cousin while we were growing up. I will cherish my memories of climbing trees, riding motorcycles, driving tractors, riding horses, going to Disney and Sea World, arm wrestling for hours, swimming with the alligators, mooning the Semi drivers from the rear seat of the 15 passenger van, playing the basket game HORSE (and always winning), playing hide n seek in the cooler at the packing house, laughing til we cried when the truck driver called us "kissing cousins", trips to the Nantahala Village playing ping pong, swimming and white water rafting, playing tennis, selling watermelons on the side of the road, out running the Bushnell Police w Eric, laughing when we were riding in Grandaddys car when he passed gas, eating boiled peanuts, eating T Bone steaks, and 4 wheeling in the woods. My life is forever better because we spent quality time together. God must be pleased to have his angel back in Heaven. I love you JD..... I will miss you SO very much.
