“ IS was saddened to hear of Diane's passing. I appreciated her help and dedication to the Bear Club and enjoyed her competitive spirit as we played in the dart league together. In the loss of your loved one I wish you comfort in the beautiful memories of your mom who meant so much to you. My deepest sympathy to your family.

“ Steph and Craig--We so wish we could be there with/for you! We just want everyone who reads this to know what a wonderful aunt she was and what a GREAT aunt she was to Bradyn and Annika. They love her so much and have such warm and wonderful memories of our times together in Minnesota and Florida. What a gracious host! Diane and I had sooo many private giggles together, especially when I asked her what the topic of the day should be-- politics or religion--as she knew those could never be discussed! We will miss her terribly but we will ferociously hold on to the memories we do share. All my/our love, Todd and family.

“ I remember all of the summers when we would meet Uncle Jim and Aunt Diane at Vagabond Village Campground. We would have such wonderful times around the campfire. I was always in awe of them as a couple because they seemed so elegant and sophisticated to me. My most precious memory is from my wedding visiting with Aunt Diane and then Uncle Jim danced me around our back yard where we had our reception. I always looked forward to Aunt Dianes Christmas letters wher she would keep me up to date on all of the Alaska relatives. She will be greatly missed. Love Linda (Higgins) Sarff
