“ *Ms Diane was the sweetest, most faithful woman I have ever met. She trusted the lord had plan the whole time. So very thankful that I got to know her and learn from her. Prayers for peace and comfort for her family.*

“ *Deeply saddened to hear of Diane's passing. Even though she was a cousin, my children lovingly called her "Aunt Di". She was loved by many and will be sorely missed. My thoughts and prayers are with her family at this time of sorrow.*

“ I was a guest in the salon getting a blow dry with Beverly whom I worked with at a previous salon. Prior to my service I spoke with Diane to see if she was hiring, she asked about my experience, we chatted a bit then I was called back for my service. About 30 minutes later as I'm tipped upside down Beverly scrunching my hair Diane comes bopping over high heels clicking every step of the way, flips upside down, pushes the flying hair out of the way says if you want a job you got it call me! That's where it started 💕💕

“ Di was such a giving person. I told her I liked her top one day, like I did a lot because she was always dressed so nice. She went home, washed it & gave it to me! She said it didn't fit her right. So I told her I wasn't going to tell her I liked her clothes anymore. 😊 she was just so kind

“ There are so many. So was the most loving, thoughtful boss anyone ever had. When we were in our busy season & she knew we wouldn't have time for lunch she would pack all of us a lunch & it would be on our stations when we got to work. ❤️

“ Ms. Diane was one of the greatest and most amazing women to grace this earth. I worked for her at JCPenneys for a few years and in that time, not only was she the best leader, but she was one of my dear friends. Her door was always open to any of us if we needed to just talk and she loved and nurtured every single one of us. I will miss her tremendously but I have a sweet reassurance in my heart that I will see her again one day in Heaven! God bless her family...my heart and prayers are with you all

“ Mrs. Diane was a beautiful example of Christian Love. She was loved by many. Always had a positive word for all she met. She made me feel special every time she did my hair. She would sometimes just stop in my work to say hello. I will deeply miss her. My condolences to her family and friends. Heaven gained another angel.
