“ We are so sorry for your loss. I grew up with Dianne, we shared many things together. (good times/wonderful conversations/along with some sad times) She was loving, caring, a giving person, and so devoted to family. We will all miss her, but we will cherish the memories of her along with her great smile. Wishing you peace & gentle comfort at this time. Love, Jackie & Jim Sheehan

“ I saw this at the Family Christian Store and decided to put it by Mom. It is called Forever in Our Hearts. God looked around His Garden and found an empty place. He then looked down upon His earth and saw your loving face. He saw your path was difficult and He closed your weary eyes, He whispered to you "Peace be Thine" and gae you wings to fly. It broke our hearts to lose you, but you did not go alone. For part of us went with you on the day God called you home. We all love and miss you Mom. Patrick

“ Dianne, We little knew that morning that God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone; for part of us went with you , the day God called you home. You left us peaceful memories, your love is still our guide; and though we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same; but as God calls us one by one, the chain will link again.

“ Mom, As time goes by, your memory remains strong in us all. I would do anything in this world to have you back, but know that God has a plan for us all. You were taken too soon from us, but one day I pray that God reunites me with you where we can be together forever. I miss and love you so much. Your son, Patrick

“ Mom, As this year has passed onto the year of your passing, I continue to feel saddened and lost for someone to confide my feelings to you. Your voice and laughter are lost and I have feelings of thinking why you were taken from us, but also understand why God needed you. We all think of you often with the joy and happiness you gave all of us and thank you for the friendship and love you provided us during your stay with us on this earth. I miss you more than anything, but know that everything that I have accomplished you have seen from above and hopefully smile upon me. I will one day be with you again and we will be together forever together. I love you Mom.
