“ Our memories of your Mom and my cousin Ron's beautiful wife, Lorry will always bring back happy memories. My cousin Ron and Lorry always had such beautiful dinners and picnics for our family- that is my brother, Clifford Winter, sister, Kathleen Winter and me, Susan Winter, and my parents, Art and Ruth Winter from Chicago. Lorry was always smiling and so happy to see us when we visited. Her calming voice and beauty made me feel like I was seeing a very loving woman. ...and I was. Her beauty was not only on the outside but was felt deeply from her heart. I saw her in 2014 at our family reunion in NC and know she was so happy to be there with her family. May the love she gave to others be shared by all of us now. We know you are grateful to be with Ron. God's peace be with you all.
