“ Cheryl,

I know that we had lost touch somewhere along the way, but I was deeply saddened to learn of Don's passing. He was a good friend and a SUPER Submariner. I always recall fondly our tough time getting through Prototype together in Idaho. And the final tour that we had together in Kings Bay where we each had a Trident to play with.

Joyce and I have our hearts broken, and our prayers with you and your family.

“ Mom Hahnfeldt, Christi, Katie, Jenny and family, y'all have been in my life for 40 years. My heart fell at the news of Dad Don passing away. John F. Kennedy once said, "Many people walk the earth, but very few leave footprints." Dad Don left footprints on countless hearts and lives worldwide, including mine. He made the world a better place. You each are carrying on his legacy well. I know our Lord is saying to Him, "Well done, good and faithful servant." Matthew 25:21. Love y'all so much, Danya

“ Cheryle, My thoughts and prayers are with you and your family. Don was truly a loving husband, father and grandfather. He served his country well, and made an impact where ever he went. Served in The Villages, Sumter County and the State. He was respected, admired and loved by all who know him. He truly was an "Officer and a Gentleman." I am sure the greatest physician of all, God, will greet him saying "Well done my good and faithful servant." Rest in peace, knowing all is well.

“ It is always sad to read about someone passing. But it is even sadder when it is someone that helped to make the Villages a special place to live in. I only knew Don through his work in the VHA, but I continued to follow his endeavors thereafter. He will be remembered as a man who gave of himself for the good of others. Jim and Estelle Murphy

“ *The Gateway family, and especially the Gateway Sports Hall of Fame, wishes to express our deepest sympathy to the entire Hahnfeldt family. Don was inducted into our hall back in 2005. He was a champion diver and even better a champion person. Don continued to support our hall to this day. I'm sure Don will be greatly missed by his family. Be strong for each other. God Bless.*

“ We met Don and Cheryle at a Christmas party when we moved to The Villages in 2010. We enjoyed their enthusiasm as they described the community and noted that there is a lot of talent here. We recognized Don's talent as we became involved in the bicycle community of The Villages. He gave us practical guidance for our application to be recognized as a Bike Friendly Community. He was a true leader. He always exuded an energy that said "How can I help?" Through his service and enthusiasm, he made us better as a community, as a nation, and as people.
