“ We are sorry for the passing of our great friend. Don was always such a cheerful person always lighting up the room with his laughter and gracious smile. We had some good times together with our brothers & sisters at the Ocala Shrine club. I was one of Don's many students he taught to cook at our Shrine outings. I nicknamed Don french fry & that nickname stuck & he just laughed it off. Don will be greatly missed & now will be in the hands of our lord. God bless him & our prayers for Margret to get her through this sad time. We love you & bless.

“ My condolences to Margaret and family for the loss of Don. I was surprised to see it as I have not talked to him since he moved to Florida. Don and I started at the Hancock County Sheriff's Office at the same time and had adjoining unit numbers. We attended many events together while serving the public. I still miss Margaret's cookies!! My prayers are with the family in this heartfelt time.

“ I first met Don when I had the chance to come to the United States as an International Exchange Student with Y.F.U. (Youth For Understanding) program in January´1982 and I happened to be placed in his home. He and Joan opened their home to welcome me as their own daughter. Those 6 months I spent at their home was one of the best time of my life. I remember some evenings where I would sit down at the family room to watch some movie on a Friday night and I very often shared this moment with dad Don, he was a loving, kind and passionate man. I will always cherish those moments I spent with him and he will not be forgotten. Farewell dad Don, I will love you forever. Your daughter Patty Albuquerque from Brazil.
