Our trips to your home in Florida were always so enjoyable with you and Donnie as the congenial hosts, always making us feel welcome and including us with your friends. “ Cheri, I am so grateful to have gotten an opportunity to spend time with your dad this Spring, for him to meet my children, to tell him that I appreciated his kindness to me, to give him a hug. He was such an integral part of my childhood, as was your whole family. He made me feel I was welcome and liked. I have held you all in my heart and prayers, particularly over the last few weeks, as I do tonight. I have no doubt he is joy-filled, basking in the Sunlight of the Spirit. Much Love, Denna
