“ Don was a wonderful man and was everything a man should be. He was more wonderful than words can express and while I have no doubt he's in a happier place there will be big void for the ones that knew him and were able to be apart of his life. My sincerest, heartfelt condolences go out to his family and friends. I know he didn't just affect a few lives nor mere hundreds, but thousands during his time here. He will be missed.

“ I will sure miss my uncle Don. I've thought of him often through the years. I remember the summer he came up to kentucky and went yard saling with us all day. He had such a good time riding around with my husband picking up our finds. I also miss the fun times we had as children when his kids (my cousins) and my sibilings played together and went on vacations. Aunt Sally and "cousins" I miss you all. Anita
