“ *Very sorry to learn of Donald Ray's passing almost 3 years late. His Uncle James Warren was my great-grandfather. My grandmother, Margaret Warren Curry, was wanting to reconnect with this side of the family. She can be reached at MAGIIEEE@aol.com or 804-530-3911 if anyone would like to talk with her.*

“ *Don and I grew up together and were good friends through high school, and no one could have had a better friend. After all the years, we finally re-connected at our 50th CHS reunion and continued to stay in touch. We will miss him, and wish his family well.*

*“ I met Don when I first started working for GE upon my discharge from the USN in 1975. Don not only mentored me into my new work life but also into my new civilian life when he and Charlotte frequently opened their home to me. It ment so much to me being single and far from my own family... Prayers and condolences to this great family! Don, save me a seat...*
