“ *Thinking of all of you "girls" during this time. I am remembering the FMCA times together and so thankful that your Dad had many good times there. Very thankful for his life and that the paths of our families crossed bringing me to become acquainted with one of my very Best life-long friends, Don's daughter Renee. May all of his family have peace during this time and know that prayers go out to you...especially his sweet daughters. Much Love. Maryjane F479*
