“ We will miss you Don. My sincere condolences to the family. Don joined our Pear Park Flyers and quickly learned to fly his RC models with us. We also enjoyed his company at all of the after flying breakfasts and his wife has been close to us as well.

“ We met Don and Cheri in December but it was like we had known them forever. Don enjoyed his time with flying his r/c planes and spending time with all the guys and me. He was such a sweetheart and always thinking of other people. He will leave a big hole in our hearts and will be missed so much. Love you Don and while you are up there watch over Cheri. We know you will be watching the PPP from up there and smiling at all our antics. Cheri, may God give you the strength to carry on. You are in our prayers. Love, Butch and Susan
