“ Teresa and family. So sorry to hear of Don's passing. Our families were very close and we fondly remember all the good times we had together. I look back at all the golf outings I had with Don and my father, listening to all the Metropolitan Ins. stories and it brings a smile to my face. My thoughts and prayers are with the family

“ *Jeanne and Family - I am so sorry to hear of your loss....I always say in my heart that the world should stop for just a few seconds when we lose a loved one.....life is so busy and so much goes on around us that we want people to take that moment of silence when our loved one passes as if to say "Wait a minute - do you know I just lost my Dad or my Husband or my Brother or my Friend etc."! Sending you hugs and praying that your pain is eased and that God will comfort your hearts! I am sure he was an amazing man!*

“ Sue ~ we are so very sorry for your loss. Such a great (and oh so handsome) guy! Always had a smile for everyone. Your Dad was such a great friend to my parents ( I am sure that they are all having a sweet reunion and a cocktail up there!), and we have many fond memories of good times at your pool in Wynantskill. I remember when I surprised him with a visit a few years ago - how welcoming he was. I will treasure that memory. Our thoughts and prayers are with you all. Love Diane and Greg
