“ Don was a great brother and family man. He had a great love of life and would always go out of his way to help anyone in need. He liked to fish and would willingly pass on his expertise to any novice who needed help. He and I spent many hours listening to our Dad tell us stories about his life and our lives when we were growing up. He had a great sense of humor and loved to laugh. Our thoughts and prayers are with the entire Donald Earl Canova family.
