“ *We feel so privelaged that we had a chance to know Don, he had such a kind soul and generous spirit. We have such fond memories of spending time with him and swimming at his home in Eagle, he always made us feel welcome and at home. He will be sorely missed by all those who loved him, but there is comfort that he is safe in God's loving arms. I know that his generous, loving spirit lives on through his children and grandchildren.*
