“ *Don, we love you, and will miss you terribly. At least we know heaven has the best man to lend a hand around now. Alberta, we love you so much. We will be by soon to see you, and let the kids snuggle with you. Our prayers are with you and the family. Amy and Rob (Emily, Andy & Henry)*

“ *Our deepest love and support to you Alberta. Know that He is in peace and probably trying to tell the Angels just the way it is. We will miss our patriarch. God is in control and He most definitely welcomed Pa saying "job well done my son..job well done" If you need any thingcall. We love you and pray that this transition will give you a sense of comfort knowing He waits for his bride. Peter and Martee*
