

Donald Alvin Drummond

July 12, 1943 - October 31, 2024

Donald Alvin Drummond, 81, of Leesburg, Florida passed away in the comfort of his home on Thursday, October 31, 2024. He was born in Kissimmee, Florida on July 12, 1943 to Clayton & Thelma Drummond.

He retired from his self-owned business after working over 40 years in the water and wastewater treatment industry. Don had a passion for his work. This, of course, included spending time with his family and many friends. He loved people and talking with different ones, listening to their concerns and cares. He was an avid Ford lover, and we who knew him, never mention Chevy to his face, for you would have begun a two-hour conversation about cars. NASCAR and football were his fave's.

He is survived by his dedicated & loving wife of 31 years, Carol Boyd Drummond; Step-Children: Jacquelyn (Steve) Zentner of Wellborn, Florida; John (Natalie) Tole of Safety Harbor, Florida; Mary Jo Gaunt of Melbourne, Florida. Grandchildren: J.T., Stevie, P.M., Jocelyn, Maddie, Danny, Sarah, Hannah, Becca, and Emma; and 11 great-grandchildren: One surviving brother, Almond Drummond of Lake City, Florida, and many nephews, nieces, and cousins. We are family!

“ Carol, what a blessing both of you were in my life for the short period of time you were here. I looked so forward each Sunday at church when y'all walked through the doors catching up on the happenings of your life. The things I loved most about the both of you is that you were real, no pretentious bone in either of you. Even when Don's memory was failing he always gave his hug and say I can't remember things like I used too. Both of you have been an inspiration in my life as well as anyone who found themselves privileged to know you. May God bless you and keep you safe. I would have loved to hear the beautiful stories and memories of Don and his friends. My heart and prayers goes out to you and your family

I had the pleasure of knowing Don from the time he was in business to the time he became a member of the family. My husband often remarked of our association with Don in business, if Don told you something, "you could take it to the bank!"
Don was the most loyal, honest, caring person who ever walked the face of this earth. I don't know anyone who had more loyal friends. Don Drummond will be missed by his loving wife Carol and all his family and everyone who loved him.

“ Our memories of Don were all good. Such an inspiring Christian man!

Danny and I stayed with Carol and Don at their home in the mountains for a couple of days. Each morning Don fixed us a delicious breakfast .

He loved being in the kitchen. So I dubbed him BOB EVANS and that stuck for a long time.

I know Carol will miss Don so much but knowing they'll be reunited again someday helps the heartache. 💕💕
