“ I have often wondered where Joe landed in this world and what he was doing. Joe was a year older than I was and for a while in our high school days we "went steady" and as was the custom, I wore his graduation ring. It has been so long ago, I don't remember how long we dated. I did want you to know he was such a very nice boy and am so glad that he seemed to have had a wonderful life and family. I am so sorry for your grief and sadness. He was on his way to being a wonderful man when I knew him, I will cherish this memory of him and wanted to share it with you.

“ Our thoughts and our prayers are with you during this time and in the days, weeks & months to come. Psalm 91:1,2 - He who dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the Lord, "He is my refuge and my fortress, my God, in whom I trust." Psalm 91:4 He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart. Our prayer for you during this most difficult time. “ I would like to express our sympathy to Joe's family, on behalf of all the members of The Villages Woodworker's Club. I had the pleasure of working with Joe for the last five years. He made hundreds of name tags for our new members. His side door was always open. It was always a special day when I got to talk to Joe when I picked up our tags. He was a warmhearted, sincere gentleman.

“ We are so sorry to hear about Joe he was our special friend in playing golf every Thursday for about 10 years. My Husband Fred they went to Spaghetti dinner every Friday night for about 3 years, boys night out. We double dated with a female friend (Diana), even so he did not travel so much over the bridge we live on the other side. He did so many kind stuff for all of his neighbors, always helpful. We truly loved him and understood him and never ever took advantage of his kindness. He was an amazing kind man. We went to the church where they eat all the time on Friday and asked them to include him in their special prayers - they do it once a month, it is a Polish Catholic Church.

“ To the Humphrey family and Jack Thomas, my sincere condolences on the loss of your loved one and friend. Joe used to live across the street (Bonita Dr.) from my mother. He was always willing to lend a hand, if needed. May he rest in peace.
