One day at time, one minute at a time is what I have done. Keep your faith, god bless and if you need anything I am here. (your back door neighbor)*

“ I will always remember the fun times we had especially when Donald would make a ham dinner in his pressure cooker. We looked forward to going to visit the family. We like this picture of Donald. He will be missed. I am glad I got to visit with him and Jackie awhile ago. He has the hope of the resurrection.

“ Jackie, Our hearts go out to you and your family is this time of sorrow. Just remember that he is safe now and only has to wait on Jehovah. The passing of time no longer means anything to him so when he awakes again it will be just another day to him. I send you a big hug in behalf of the family here. Till we meet again, Heart felt love is sent your way. Continue to draw on Jehovah for strength in all that you do. Love, The Galyen Family

“ Jackie ... how truly sorry we are for your great loss. I recall my memories of Donald emitting the joyful glee of a child while playing with his trains. A quiet man maybe, but not when at play I'll assure you. He will be surely missed and will be among the many that wake to life anew as our loving Father intended. We join you in eager anticipation of that day. Until then, please be assured of our great love for you both. Philia, The Gibsons

“ Jackie, Wayne and Jeff: To all you and your families my sincerest condolences and love. I will always remember the times we had in our growing years together Donald, and the times when we got together as family especially when you came up from Florida. You were there whenever needed for anyone. I'm so fortunate to have you and your family as part of my family. I will miss you, your humor, and I know that even though you picked on me, you loved me. Missing you my dear cousin.

“ jackie....I was sad and disheartened to hear of Donald's passing. I've only known you two for 13 years, but you both were always helpful, gracious, and considerate to me. They don't make men like Donald anymore. I will miss seeing him when I visit you. I say gone too early - and goodbye Donald.....
