“ Our sympathy and prayers to the family. It was always a pleasurable moment when you entered a room, church, or where ever Don was. His "words of wisdom" would bring a smile, a laugh, and a memory when ever you thought of him. Don will be sadly missed by everyone.

“ Dear Schneider Family: We were very sorry to read about Don's passing. The Schneider family has always been very close in our hearts and minds--for over 50 years. Don's mother Daisy was with our family for many years--and is a woman we will never forget. We met Don and his sisters over the years--and my sister Marjorie was always talking about the sisters, Daisy, and Don. It has been many years since I have been in contact with any of the family--but please trust that whenever a member of the Schneider family was mentioned--it brought instant conversation and extremely fond memories. One day when we were going through security at the Rochester airport--one of the TSA agents recognized the After name and mentioned he was a grandson in the Schneider family. I'm sorry but we do not remember who's son he was--Don's or one of his sister's? It is hard to express our sadness at the loss of Don--but we are very sad. The whole Schneider family was very special to us. We are sad that we haven't seen Don or his family in years--but interestingly my wife Joan and I were staying at The Villages in 2010. If we had only known that Don and Marge were there! Though Don and I probably would not have recognized each other. We send our deepest condolences to every one. Ed & Joan After, Rochester, N.Y.
