BP

“ We will truly miss our great friend Don. He always had a big smile on his face and never met a stranger. In the few years we knew him we had able to hear some wonderful stories of his life. Don loved and enjoyed life so much, he will be greatly missed by all that knew him. Love and Prayers Bob and Chris

“ We are so sincerely sorry to hear of the passing of Don. He was a very sweet man. Although we only knew him briefly, we were looking forward to getting to know him and Alicia better when they returned to Franklin this year. Please know that we are praying for the God of all Comfort to keep you in his loving care. You are in our thoughts and prayers.

“ Such a sweet man! So kind when I goofed and had you meet me at the wrong auto place. I was so embarrassed, but he (and you) put me at ease! Had hoped to see you both again in the Dallas area....but not to be. We pray God's arms around you , Alicia, and that He will comfort you in the days ahead. Our love, Joe and Kaye
