“ Donnie has been a part of our family for over 30 years. It won't be the same on this earth without his wonderful smile, laugh, stories and love. I will miss his hugs and "thank yous" after every visit and dinner we had here at our house of which he and Miriam are so much a part of. What a faithful servant of God he's been for so many years. He will be missed by all of us who knew and loved him. But what a wonderful, beautiful place he resides in now ... a place called Heaven. Donnie, we thank God for you and the time we spent together.

Love, Grace & Don and Donny & Andrea
