“ I am so sorry for the passing of Donald, my condolences to his Family. I know well the pain of losing a loved one in death and what helped me was and is to focus on God's promise at Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Soon death will be done away with and we will see our loved ones again. I hope this promise brings Donald's family comfort during this difficult time.
