“ Am so sorry for your loss and I hope you will remember that he loved everyone of you very much. He had a good fun life and enjoyed everyone of you all the times he was with you. I am so glad I got to met him at the time when I did. Joe and Nick and I really enjoyed his company. So, maybe Nick and Don will get together up in heaven and talk with each other again. Take Care and live the way he would of liked you to and he'll always be in your hearts. And Baby Moses sends his love also. Love, Joan Tonya our neighbor also sends her condolences to you and your family.
