I will give my condolences to your family. I see this is outdated but I am making an attempt. Please understand I am sorry for Don, never easy. But I am searching for some help and I am not sure if I am using the proper channels. My name is Tim Schoch and my father was Robert Harold Schoch born and raised in Muncy Pennsylvania. My father passed in 2000 and his ashes have been with my 89 year old mother for to long. If my father had his wish it would be for his ashes to be put in the Susquehanna river near Muncy. I am attempting to do this and honor his wish. My father's family used a very old cabin on the banks of the river. I just don't know where this is located. My father had a cousin last name Livingston, John and Joanne Livingston of Muncy. Anything would be helpful and thank you. My father had a twin brother named Jack. I am Tim Schoch age 55 Cleveland Tennessee. email tscottjourney@gmail.com
