“ *Dear Bonnie, Jim and I made a donation in Don's name to the local Cancer Society. I make my living with words, but they seem so hollow at a time like this. We want you to know we're thinking of you and hope you'll feel less sad soon. He was a good man. Next time we're in Albany, we'll raise a toast in his honor at Jack's. Let's plan on that dinner, ok? We could all use Metroland get together once these dark clouds break. In the meantime, please call us if there's anything at all we can do to help. Much love, Bro. John and James 203 984 7757*
