“ Marilyn, we were so shocked and saddened to learn of Don's recent hospitalization and passing. We spent many wonderful times with y'all at Belle Glade and will miss that so much. It will not be the same without Don. Y'all were so very helpful to us and talking to us about the same doctors and treatments that Russ and Don both shared. Please know that you will be in our hearts and prayers for your strength and faith during this very hard time. May God bless and comfort you and your family.
