

Donna Grace Preston Towne Anderton

April 2, 1944 - January 24, 2025

Donna Grace Preston Towne Anderton was born on April 2, 1944 and passed away on January 24, 2025 surrounded by her two daughters, son, and son-in-law after over a year of illnesses. She was 80 years old and still full of life till the end.

She was a woman of family through and through. She was born in Cambridge, Ohio with her father being in the service but the family lived in Leesburg, Florida. She was raised in Leesburg, attending Lee School and graduating from Leesburg High School. One of her favorite places were the Venetian Gardens where she grew up playing at Ski Beach.

She raised four children; twin daughters and two sons. Her favorite thing to do was thrift store shopping and on any given day you'd find her at the Sheriff's thrift store, they all knew her by name. Her two younger sisters were her best friends.

Her love for family went beyond ordinary. Every birthday and holiday were celebrated big especially Easter with our great big family. She radiated positivity and worked hard her whole life, she had very little but was happier than most.

She is survived by her twin daughters DeeDra Sullivan, DeeAnna (Randy)

Gardner, son Joel "Pug" Towne (Kelley Anderton), sisters Darlene Preston Bourge, Jeanie Preston Warnick (Red), brother Daniel (Tommy), G Preston (Melinda), seven grandchildren, seven great-grandchildren and many cousins, nieces, and nephews.

She was preceded in death by her parents Donald & Mavis Preston, first husband Gary Towne, second husband Duane Anderton, son Gary (Bo) Towne and granddaughter Hope.

She will be missed horribly and instilled positivity, strength, happiness, and a big smile to anyone she was around. She only stood 5'2 petite but had the strength of a giant.

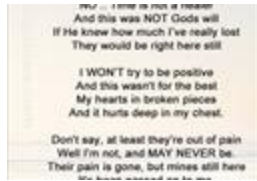

We will love you always and forever our precious mama, your children DeeDra, DeeAnna, Gary and Joel. Now you rest mama, no one could of did a better job!

Arrangements entrusted to Beyers Funeral Home of Leesburg, Florida.

Grief is so much harder
than anyone tells you.

It isn't just sadness; it's a void,
an ache, an unremitting battle
with reality. It's the endless
replay of what could have been,
and the cruel certainty of
what will never be.

We usually do such a fun bday for you our precious Beautiful Mama, but God took another, & left us completely broken, & seems doesn't give a damn!!

“ *Grandma Donna was and always will, continue to be a light- full of sunshine and laughter. I love how she always was there no matter how her day was going, trying to Crack a smile on everyone's face. A beautiful woman with and even brighter soul. Her love is far-reaching and will continue through all her children, grand children and with a little luck, her great grand children aswell.*

One of my favorite memories is her Easter eggs hunts! She would take joy stuffing and tucking away eggs all over her property for the children to gather. They would have been hidden in her garden with tons of little bunnies to guide the way. She didn't forget the bigger children either, you just had to venture a little farther for those eggs

We love you, I am so happy to have seen you hold your great grandson. Keep Dancing.

I love these pictures. This was such a fun day at Ski Beach for her Birthday. She laughed so hard at me. I have bought her a beautiful yellow tubulia tree that was in the back of my tahoe. Tahoe broke down so had to be put in the back of I believe Senjun's truck. All the yellow flowers blew off so she ended up with just a naked branch tree. Was a fun day tho.

“ So sorry to hear about your Mom! She and I were best friends in high school. One of our first jobs when we were 16 yrs old was at a place called Dairyette I think ? At the V in road on west Main st where a Tattoo place is now.

The first day of married life with Gary he went to work and when he came home (apartment on High St) I was there talking and giggling with Donna! No sense at all that I should leave them to be alone !?! We had so many good memories. Such fun times. Another time I remember is when we went horse back riding and she broke her leg! We didn't stay in touch through the years since I didn't live in Leesburg most of my working life, but when I moved back to Leesburg we had several “gab” sessions and it felt like we were 16 again! She was a wonderful person and I know she will be missed!

Jill she talked about you a lot. I always remember your name. She was the best Mama there possibly could be. This one is by far tough. She's right with all of us. Thank you for these wonderful memories. Love to see stuff like this. Love, DeeDra. Her Daughter.

“ Being her first born Daughter with my twin and our Brother Bo Being born when we were 15 mths old and then our baby Brother Pug born when I was 6 years old. Memories can go on forever. Drive in movies, with sweet tea, popcorn, hotdogs packed and us in our pajamas was our Sat nights. Always a spotless house, tucked in each night. Summers at a lake or at the beach. Driving us to Skating Rinks every single Fri night along with almost every kid in our neighborhood. The best Mama possibly out there. She taught me, my Sister and my two brothers to be the best Parents and Grandparents which we all are because of her. She truly 100% was our role model in everything possible. Now to do Life without her. I am going to make her proud and do it just like her but miss her horribly. I love you Mama. Your DeeDra

You have done one hell of a job raising me and you are the best mom a son could ask for.. I know you got this from grandma! Now it's your turn to show Siloh how great of a grandmother you are, that Grandma Donna was to me ❤️

Grandma Donna was and always will, continue to be a light- full of sunshine and laughter. I love how she always was there no matter how her day was going, trying to Crack a smile on everyone's face. A beautiful woman with and even brighter soul. Her love is far-reaching and will continue through all her children, grand children and with a little luck, her great grand children aswell.

One of my favorite memories is her Easter eggs hunts! She would take joy stuffing and tucking away eggs all over her property for the children to gather. They would have been hidden in her garden with tons of little bunnies to guide the way. She didn't forget the bigger children either, you just had to venture a little farther for those eggs ☐♥

We love you, I am so happy to have seen you hold your great grandson. Keep Dancing.

Most Beautiful Sweetest Wonderful Amazing Mama that has ever walked this earth. I'm ripped in pieces, & no, I will no longer be the same, if not for my Son, Husband, Sister, Brother, other family members, I have no desire to go on. This life has gotten unbearable. Our families bond is severly strong, & has ALWAYS been, & makes it triple more difficult. Mama I miss you more than I can even write. I'm not happy!! I'm ANGRY!! You were too Amazing to be taken from all of us, life is cruel, life is unfair! Can't wait til all of us our all together again. Cus I do NOT like this life!! 😞
