“ Dear Dottie and Skeets, I am so sorry for your great loss and I'm sorry I never really got to know Donna Marie. I have requested prayer at my church for your family on many occasions. Please know that there are many people praying for you. I'm sorry I'm unable to attend tine services, but Linda probably told you that we are out of state for about two weeks. I will see you when I return and would love to help you in any way I can. I know Linda will be limited in what she can do for a while. Blessings, Gail Bagby

“ I will miss you and our long conversations about life, relationships and work. I trust that somewhere you are sitting on the beach we spoke of so often, free from the bonds of this life. Your heart was big and your spirit even bigger. Your suffering is now over while ours begins with the loss of your smile and light. Rest now DM. You are forever in our hearts!!
