Donna was such an important and integral part of our Lake Dermatology family and we miss her very much. She ran a tight ship at the front desk all while sporting Mouse ears for any occasion! She made any holiday twice as fun. To Denis, Amanda and Kevin - she loved you all so much and talked about how proud she was of all of you frequently. To your whole family, we know that no one will miss her as much as you, but it will be close.

As my co-worker for the past 17 plus years Donna had become more than a co-worker she was a friend as well. This office will never be the same without her. She will truly be missed by staff and patients as well. To her family I know this will be a tough time in your lives, but know you now have a guardian angel watching over you!!

I knew Donna because she was my sister Maureen and her husband Dennis. My best memory was a Disney trip. 11 of us went to dinner and I remember lots of funny stories she told. So sorry for you loss.

I knew Donna through my sister Maureen and her husband Dennis. On one of our Disney trips Donna and her family met us for dinner one night. She had many stories and we laughed the whole time. I'm sure my sister Maureen and Dennis will miss seeing her on their future Disney trips. So sorry for your loss.
