“ I only knew Doris for a few months. She was a wonderful lady who faced her diagnosis with grace and dignity. We had a number of conversations and, I'm sorry I didn't meet her earlier. Fly with the angels, lovely lady.

“ Doris was a very special lady. I have played Samba, Pinochle and Hearts with her for over 10 years. She was always willing to help someone learn the card games. My husband enjoyed playing Mexican Train with her . She would always say Fickle , seat here. Her presence around community is missed. We are keeping your family n our thoughts and prayers.

“ Sorry to see a this wonderful person pass on... Doris was a pleasant part of our landscape in the 'historic district'... as it is known... of our community. Enjoyed banter with Doris in the card room and when she passed through the billiard room. May peace be with the family... Doris is in peace.

“ Heartfelt condolences to you during this time of loss.

I was sad to hear the news. Unfortunately I have only lived in Legacy about eight months so did not have the pleasure to get to know Doris as much as I would have liked. I do feel very blessed for the times that I was able to play different types of cards with her and look forward to using her advice as I continue to learn how to play Pinochle. Such a classy lady. She will be missed!

May your memories give you peace and comfort.

“ Sincerest condolences to the family. Doris was a fine lady and one of the first residents I met when I first moved into Legacy. We played cards together and I always saw her at bingo! She loved her family, community, church and friends. She will be remembered fondly. ~ Melody Villarini

“Doris was a good friend for the 7 years I have been at Legacy. We played many different card games together, played mahjong together and many games of bingo. She loved being out and about. She didn't sit still for long. I already miss seeing her at all these things. She will definitely be missed around here. No more seeing her ride around on her bicycle.
