“ *I really loved knowing Doris. She was a wonderful Lady and friend. I was her Avon Lady for many years while she worked at the Water Association and for awhile afterwards. Doris with her happy & beautiful personality will be greatly missed.*

“ *I will miss her smile and talking with her as she worked in her flower gardens. I am so glad that the last time we talked was at the water board Christmas dinner. She was a joy to have known and be around. I will miss her and I think of her every time I pass her home.*

“ It was a pleasure working with Doris at LPWA for 16 years. As clerk/cashier her duties included making courtesy calls to remind customers of their past due bills and having the meters locked for non-payment. Thus, she became known as the "Water Witch". We laughed a lot about the title, but in realty, she was really the "Good Witch". She was always courtesy and caring with the customers and was missed when she retired. She was very happy at our Christmas Dinner and that is how I will always remember her. God Bless You Doris!

“ It was a pleasure to have met Doris in May 2012 as we celebrated the life of my grandmother Jean Vandeerkey...Doris was a kind and loving woman and what a wonderful example of a godly woman...I know that my father Don Martin enjoyed her company and the companionship that they shared as well as their Love of God..I pray that her family will have comfort and know that as Doris is no longer present in this life with us, she surely rejoices in Heaven with our heavenly father and the new body free of sorrow, grief and saddness...
