*As tears roll down my face,
I know you're in a better place.
I close my eyes to see your face,
suddenly I feel a warm embrace.
With a smile so wide*

*it brings tears to my eyes.
I try so hard not to cry
all of my pain I cannot hide.
You always knew just what to say
to anyone having a bad day.
I don't know if I will ever understand
but it must be part of God's plan.
As I look up towards the blue sky
I imagine you spreading your wings to fly.
Be sure to give your Mom a sign
so she knows you are in Heaven,
and everything is fine.
Tell everyone there I send my love,
to all of the Angels up above.
As the tears roll down my face
I know you are in a better place.*

“ Aunt Fuzzy you are the best kind and loving woman I knee, you were always there and always put a smile on people's face when they were having a terrible day. You brightened the room up when you walked in. You taught me so many good things about the Lord and just knowing that's where you are and your no longer in pain and you're able to walk and talk and be more energetic again makes me happy may you be Forever in my Heart . I love you so much and I know your watching over us and your happy may you rest in peace and the moment when I can see you again is the moment I see you again I know that is where we belong.
