“ *I will always remember you. You were the best grandmother any one could ask for. You were always there for me. I had the most fun growing up and spending time with you at you house in Astor and going fishing, playing rummy, and going out on the pontune boat. I will always love you and I will tell your great grandson Antonio many great stories about you. I never heard you say anything bad about anybody. You were always such a positive person. You will be greatly missed. May you Rest In Peace. I love you. Always and forever. You will always be with me in spirit. And I will do all I can to make you proud of me.*

“ *We will miss you dearly, You were the last of our elders and now we are the elders. You were so much stronger than I though you were, to go through so much for 5 months, Your journey here is complete but our Lord has more for you to do with him. Tell the family there that we love and miss them and with God's grace we will be together again. We love you Mom and you will always be with us in our hearts.*

“ Grandma, When I think back on my childhood memories, I often think of you. As a little girl I anticipated the weekends in Astor. I loved fishing on the dock and spending time with you and Papaw. As time went on things changed, and adding on to being my grandmother, you soon became my next door neighbor. I enjoyed coming over everyday, not only to sing and dance for you, but to hear all of your many wonderful stories. I have countless memories of you, here are some of the fondest: Watching GSN with you while you told me who had died and who was still living, the dime store, the story of you and Papaw, watching the red light with the policeman, Dixie, and Hollister CA are just a few of the million that come to mind when I think of you. Grandma, I am truly going to miss you and all of your characteristics. You were a gregarious woman with an enormous heart. You had a beautiful laugh and a contagious smile. I am so thankful for the time we had together and I cherish every kiss and every piece of advice you ever gave me. Thank you for being so courageous. Because of you and your fearlessness, we were given the blessing of time. You were my grandmother, my mentor, and my friend. I love you more than anything, now and always. Emily

“ I am so blessed to say I knew Dot and had her as my grandma for several years while I was married to her wonderful grandson Dennis. She always made me feel so loved and her wonderful spirituality just overflowed from her. I will miss her smile and her great sence of humor. You never missed a good laugh when you were around Dot.

“ For a GREAT lady who was my aunt (married to my Daddy's brother), and who could make me laugh at any time....her laughter was contagious!!! She had a wonderful, consistent personality....always "up beat". She was always very patient...listening to your problems and offering a suggestion now and then. Unfortunately, I was unable to attend Aunt Dot's services as I was in the hospital, but my thoughts and prayers were with each family member. Aunt Dot's daughters, (Shirley and Linda), and I were like the "Three Musketeers" when we were growing up in the '50's here in Tampa. We had such a good time...the innocent times. I will miss Aunt Dot very much, but know she is in heaven with her husband and her daughter. I also have a child in heaven (a son who passed in 2005), as well as my brother, Donald, and Mama and Daddy (Helen & Harold) who are waiting for me to join them...and I will one day. Aunt Dot...I will see you again some day soon. Love,
Your Niece, Diana (Davis) Reams May God put His Hands on each of your loved ones to lift any grief that may be heavy on their hearts.

“ Dearest Mom, There are no words to say how much I will miss our many many many conversations over the years, at times you were more like a sister to me than my Mom, you were always my best friend and someone I could always go to for hope and encouragement. You always saw the good in everything and you were postive in how you lead your life. I will cherish the times we spend going to visit Janice and your 8 Great Grandchildren and all the memories of times past with our family at every family get to gether no matter what the occasion. After the passing of our Dear Linda you and I shared the same sadness and sense of deep loss and we comforted and consoled each other and at times it would have been impossible to bear without you, because we both have faith and trust in Jesus Christ and know that we will all be together in the sweet by and by. This coming Sunday (mother's day) will be the 1st of many times that you will be so missed,but, you will be alive in my heart and mind forever. Thank you for being such a Great Mom and Friend. I wii miss your smile and your ability to find humor in everything you saw and did. Your Loving daughter, Shirley Ann Happy Mother's Day

“ Grandma, I know that you are in peace now and that nothing can ever hurt you again. I used wish that I would never grow up when I was younger so I would be able to continue to spend the summers with you and grandpa. Dennis, Terry, Nicole and I were always fighting on who was going first:) You are one of a kind and I can say you are a TRUE lady. You always had kind words, love in your heart and didn't pay any mind to nonsense. You never had a mean thing to say about anyone regardless of the nature of the person...that may you very special. I was so happy when you joined senior services because it finally got you out doing something, You made everyone around you smile with your delightful smile. James said that you were the sweetest lady he ever knew and he was honored to have you call him family. You will be forever missed and never forgotten. We love you. Rest in Peace sweet Grandma Janda, James and Jaime
