“ Liz, Your momma was a wonderful lady. The brief time I worked at Webster till I moved to South Sumter Middle School when it opened a few years after I began to teach gave me many blessings. Your momma was so sweet, funny and we had a good time chatting at lunch and other times. I remember when we took a class together with Mary Brown back then her last name was Geofert. We made a threesome and had such a great time. She will be missed by so many people and organizations. Bill and I are Praying God's Blessings, Comfort and Strength on you and your family.
