“ *Beautiful smile and cutest laugh. We were young together. Jane was very particular about her little daughter Kathryn. No Kate or Kathy for her baby, it was to be only Kathryn. Jane got Kathryn a little pony named MADAM, and a little cart. Jane was particular about how Kathryn was dressed, especially for Birthday parties. At one of her parties Kathryn ran to embrace a friend and bumped heads. Kathryn came away with a black eye. Jane smiled and explained and continued with Kathryn's lovely party. Jane was a perfectionist. Everything had to be planned and organized and she was very good at this.*

“ *Kathryn, I'm so sorry to hear about your mom's passing. May God grant you peace and strength at this time. Acts 24:15 says that "there is going to be a resurrection of both the righteous and the unrighteous." We look forward to that time. You have my deepest sympathies.*
