“ *My deepest sympathy for the family of Dorothy. Dot was a lovely lady outgoing, friendly and thoughtful towards others. Our friendship developed through attending the same church. Dot, I will miss you very much.*

“ *Hope and Paul, and Dawn,*

I am sad at the passing of my friend and neighbor who lived next door to me for 25 years. Dot was a great neighbor and we shared many good conversations during our evening visits. She was always willing to help me when needed. Her kindness and love will always be remembered and I will miss her dearly. My thoughts and prayers are with the family during this sad time.
