

## Dorothy A. Pruitt

Dorothy A. Pruitt, 83, passed away July 4, 2019 at her home surrounded by her family. Dorothy was born December 6, 1935 in Manchester, New Hampshire. She is survived by her loving husband of 64 years, Charles Pruitt. She is also survived by her son, Charles Jr. (Naomi) of Alamogordo, New Mexico, Randy (Amy) of Montana, Billy (Donna) of Weirsdale, Florida and Gary (Ruth) of Leesburg, Florida. She was also blessed with 16 grandchildren and 13 great-grandchildren.

Dorothy spent most of her life as a homemaker caring for her family, which was a passion and joy for her. She attended the Salvation Army. As for other interests, she loved Bingo and gambling from time to time, but her family was the primary hobby. Dorothy's last desire was that there could be "one last get-together," and she got her wish. She will always be loved and missed and never forgotten.

She will be buried at the Florida National Cemetery.
