“ Aunt “Dot” was a family treasure. JShe “put back on” her nurse’s cap well into her 80’s to help care for our father during his final stages of brain cancer. She was not only there for him physically but spiritually praying with him and for him and encouraging him to sing hymns. Even when he couldn’t communicate any longer she was somehow able to get him to sing “Jesus loves me”. She was an angel, also supporting our mother. We share in your grief and also celebrate her crossing over to life everlasting with our Lord and Savior. We love you all and thank you for sharing her with us. She loved her girls, son and many grands and the whole family and spoke fondly of you all often.

“ Aunt Dot - If there is anyone I can surely say that I know exactly where you are and I can just imagine the reunion you are having with everyone in heaven. Your Godly spirit touched everyone you were around and I know you will be rewarded greatly. You will surely be missed here on earth but now a diamond in heaven. To all the family and friends, you have Dwight and my deepest sympathy but we will be rejoicing with you as Aunt Dot is finally home. Dwight and Joanie Williford
