“ Thinking of Jimmy and Mark and your family. I remember your Mom and Dad dancing, they were pretty good dancers. I remember your Mom getting a fur coat and modeling it, she seemed to Love it. I remember your Mom cooking and making Deviled Eggs with little flags in them for the 4th of July. I remember your Mom one Christmas surprising all her kids, you kids found your gifts so she took them back to store, and you all were very worried because your gifts were gone. She had taken all of you out on Christmas Eve and when you returned home there were presents under the tree. You all were so surprised and wondered how the gifts got there. I remember your Mom and Dad taking a trip to Hawaii and how excited and how much they enjoyed the trip. Your Mom was a great person. I only have fond memories of her. May she rest in peace.
